The Aransas County Medical Services, Inc is well known in this area as one of the highest regarded EMS services in the state. What is not well known is that the organization is not part of any governmental unit. It is a nonprofit organization founded in 1975 by the “Little old ladies in tennis shoes”. Those “Little old ladies” are now a memory. Funding for the organization comes primarily from ambulance fees and donations. We have many volunteers who work behind the scenes to help in our fundraising efforts. The Aransas County EMS averages over 10 calls per day, with an average response time of under five minutes in the city and under eight minutes in the county.

Our ambulances are aging and are costing us over \$8,600.00 per month in maintenance. This is due to the ever increasing call volume and the fact that over seventy percent of our transports are going to hospitals in Corpus Christi. The Board of Directors has authorized the purchase of three new ambulances at \$90,000.00 each. The first of these units will be delivered in the near future and was paid for through grants and donations. To aid in the payment of the next two, a four man Florida Scramble Golf Tournament has been scheduled at the prestigious Rockport Country Club on March 15, 2010. We are asking your company to be one of our prime sponsors for this event. Sponsorships are as follows:

Platinum Plus	\$10,000 +	Includes 4 Teams (your name on an ambulance)
Platinum	\$5,000	Includes 3 Teams
Diamond	\$2,500	Includes 2 Teams
Gold	\$1,000	Includes 1 Team

In addition to the golf itself, golf carts will be provided, along with sandwiches, snacks, soft drinks, and an awards luncheon.

The citizens of Aransas County and the Aransas County Medical Services, Inc. Board of Directors thank you for your generous consideration.

Sincerely,

Bob Mosier, ACMSI Board President
